BATHROOM REMODELING

Bathroom is a special place in your home. Your days start and end there. It is the place of your rejuvenation, and ceremonies. The more you like your bathroom, the better the experience. Nothing ruins this unique time for yourself more than crumbling finishes, outdated design, or worst yet, toxic mold. Precision Home Design & Remodeling can customize your bathroom renovation and turns your ideas into a reality. We transform your old, outdated bathroom into a luxurious and stylish spa bathroom you deserve.

Meet All Your Bathroom Remodel Needs:

Just like every home serves exclusive needs of its habitants, bathroom is only perfect when it fits your unique needs. Precision Home Design & Remodeling is a local San Diego home improvement company that offers preeminent bathroom remodeling options. Whether small or large, modern or classic, simple or custom, our team of bathroom renovation experts has more than fifteen years of experience in designing a wide variety of bathroom styles. Our highly-skilled craftsmen are devoted to making your bathroom perfect especially for you. We reliably handle the entire project from the initial design service to the actual construction phase. Throughout the process you have the peace of mind you deserve while Precision Home Design & Remodeling works wonders on your bathroom space. We provide you with daily reports on the progress and make sure all the set timelines are strictly met.

BATHROOM REMODELING MATERIALS

Bathrooms are generally constructed in comparatively small areas. However, bathroom remodeling involves the use of countless materials; we have classified them in four categories:

1.

Fixtures, toilet and sinks:

Available in different styles, colors, sizes, and finishes. Suitable for any type of bathroom design and decor.

2.

Cabinets or vanity:

Vanity and cabinets are imperative for any bathroom as they act as storage space. With us, you have an option to choose a can customize vanity that suits your needs and budget.

3.

Flooring:

Porcelain tiles is loved by home owners in San Diego due to its water resistant properties. Precision Home Design & Remodeling help you choose the right color and style that will match your bathroom decor perfectly

4.

Bath or shower:

Whether you want to fit stand-alone bathtub, a standup shower or any shower and bathtub, Precision Home Design & Remodeling helps you in choosing the most comfortable bath or shower accessories.
